## Dependency Parsing Module Suggested Readings

XCS224N Natural Language Processing with Deep Learning

## 1 Suggested Readings

- 1. Incrementality in Deterministic Dependency Parsing
- 2. A Fast and Accurate Dependency Parser using Neural Networks
- 3. Globally Normalized Transition-Based Neural Networks
- 4. Universal Stanford Dependencies: A cross-linguistic typology
- 5. Universal Dependencies website
- 6. Jurafsky and Martin, Chapter 14
